生活垃圾分类处理方法、垃圾和可回收物收集日日历

ภาษาไทย

งบประมาณประจำปี 2026 ของเมืองโคโมโระ (เมษายน 2026 - มีนาคม 2027)
วิธีการแยกและกำจัดขยะในครัวเรือน ปฏิทินวันเก็บรวบรวมขยะและวัสดุรีไซเคิล

小諸市ごみ減量キャラクター
Komoro City's waste reduction mascot,

Gen-chan 減ちゃん

It was created to protect
Komoro City's beautiful environment.
It even transforms when on patrol.
I hope we can continue to be friends.

- Waste and recyclables will be collected on the collection days shown on this calendar.
- Collection may occur on public holidays, so please check the calendar carefully.
- Please put out at collection points between 6am and 8am.
- Collection will not be held in the event of heavy snowfall (over 30cm).
- Some types of garbage cannot be collected at some collection points. Please follow the instructions of your local sanitation committee member.

Disposing of waste requires a lot of money and energy.
Reduce waste by separating it correctly.
Let's reduce waste. Reuse it.
Let's make full use of it as a valuable resource.
Let's value the Earth's limited resources!

When you take these to the collection point...

Within 1m of the tied opening

Blue ink printing
Landfill waste (Non-burnable items)
埋め立てごみ

Landfill waste in the "Komoro City designated plastic bags" and bring them to the collection point.

Komoro City designated plastic bags can be purchased at local supermarkets, convenience stores, general stores, etc.

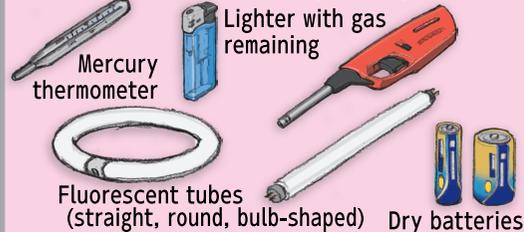

Please be sure to write your name on the bag.

Simultaneous collection of Mercury-containing hazardous waste, etc.

[Collection dates: Sat, Sep 5, 2026, Sat, Mar 6, 2027]

○Hazardous waste containing mercury

Please place it in the container set up at the designated location in your area (such as a community center) on the designated collection day in Komoro City.

Uncollectible waste

○Hazardous/hazardous materials, waste oil (non-edible), pesticides, chemicals, gunpowder, paint, gasoline bombs, infectious waste, poisons, highly toxic substances, etc.

*Please ask a retailer, resource recovery company, or waste disposal company to collect or dispose of the item.

They cannot be brought to the Komoro City Waste Treatment Facility, "Clean Hill Komoro."

○Industrial waste, construction waste, roofing tiles, tatami mats, building materials, insulation, corrugated sheets, agricultural machinery, agricultural mulch sheets, tires, Car batteries, soil, pianos, etc.

Lead-acid batteries can be

Small rechargeable batteries

Button batteries

○Items with a recycle mark can be collected at participating recycling stores.
○Recycling boxes have also been set up at the Komoro City Hall Living Environment Division.
For more details, click here [JBRC]⇒

○Button batteries are collected at participating recycling stores.
For more details, click here [BRJ]⇒

Products that use lithium-ion batteries

There have been many fire accidents caused by products that use lithium-ion batteries, such as mobile batteries. Please help us by properly separating your lithium-ion batteries so that you do not dispose of them improperly.

○For rechargeable batteries that cannot be collected at participating recycling stores (for example, those without a recycling mark, those that are swollen or deformed, or cannot be removed from the product), please check the Komoro City website for collection methods.

○Wireless earphones
○Electric shaver
○Heated tobacco products

Coin-type lithium batteries are Landfill waste.

Komoro City Waste Treatment Facility "Clean Hill Komoro"

Address: 367-1 Hishihira, Komoro City
Contact: (Available only during weekday Reception Hours)
Phone: 0267-26-0022 / Fax: 0267-22-4990

Reception Hours: Weekdays 9:00 AM - 12:00 PM, 1:00 PM - 4:00 PM
Sunday Reception: Third Sunday of each month 9:00 AM - 11:30 AM (General Admission Only)
Closed: Sat. Sun. public holidays, and New Year's holidays

Usage Information

① Items that can be brought to "Clean Hill Komoro": [Waste & Recyclable Resources] [Bulky Waste]

1) Items that can be brought: [Waste & Recyclable Resources]

*[Kitchen waste] cannot be brought.

○Waste paper (magazines, miscellaneous paper, paper cartons, newspapers, cardboard) ○Used clothing ○Cans and bottles ○Garden tree prunings ○Used cooking oil

○Plastic containers and packaging ○Landfill waste ○Burnables waste ○Batteries, fluorescent tubes, mercury-containing waste, etc.

2) Items that can be brought: [Bulky Waste]

○Waste that cannot be disposed of at collection points (see the waste and recyclables classification). ○See the classification and type list on the right.

② Fill out and bring a "Waste Bring-in Form."

*The "Waste Bring-in Form" can be found on the Komoro City website, at the City Hall Living Environment Division counter, or at "Clean Hill Komoro" reception desk.

1) Please fill in the name, address, vehicle number, and phone number of the person bringing the item.

*Please write your name and address exactly as it appears on your ID (such as a driver's license).

2) Write down the number of pieces of "bulky waste" you will be bringing in for each category.

*For the classification and types of "bulky waste," please refer to the classification table on page 8.

③ Please bring it to "Clean Hill Komoro" by vehicle.

*If you are bringing a large amount of garbage (more than two light trucks at a time), please make a reservation the day before.

*Vehicles with a maximum load capacity of 2 tons can enter.

1) Proceed through the loading route and submit your "Waste Bring-in Form" at the reception desk.

*The information you have written will be checked.

*You will be asked to present ID (such as a driver's license) that can verify your name and address.

2) Your vehicle will be weighed. *All garbage will be weighed together, regardless of its sorting.

3) Follow the instructions and guidance to move your vehicle and enter the facility building.

*We will guide each vehicle one by one, so you may have to wait.

4) Unload the cargo following the instructions of the workers.

*Follow the "Waste Bring-in Form" and check the sorting and bulky waste categories and quantities.

*Items that are not properly sorted or cannot be brought in will be returned.

5) Follow the instructions and guidance to move your vehicle to the reception desk.

*The vehicle will be weighed at the reception desk and a processing fee for the weight will be calculated.

6) Pay the processing fee and exit. *Cash only

Processing fee

① A processing fee will be charged for all [Waste and Recyclables] and [Bulky Waste] items brought in, based on their weight.

¥100 per 10kg (¥60 for pruning branches)

② For "Bulky Waste," in addition to the weight processing fee above, a separate processing fee will be charged for each category

Category	Processing Fee per Item
1) Bulky Waste to be Cut	¥100 per item
2) Bulky Waste to be Crushed	¥300 per item
3) Bulky Waste to be Dismantled	¥1,000 per item

Items that can be brought in [Waste and Recyclable Resources]

Magazines

Paper waste

Paper cartons

Newspapers

Cardboard

Old Clothes

Cans, Glass bottles
P.E.T bottles

Plastic containers
and packaging

Burnables waste

Landfill waste

Mercury-containing
waste

Dry batteries

Fluorescent tubes

Lighters

Please separate and bundle your waste in the same way as when you take it to the collection point.

[Kitchen waste] cannot be brought in. Please put it out at the local collection point or on collection day.

Please separate your trash in the same way as when you take it to the collection point and put it in the designated bags.

Waste cooking oil [Recyclable]

- Please put it in a cooking oil container or plastic bottle for disposal. *Please do not dispose of it in cans, bottles, plastic bags, etc.
- Only vegetable oils such as tempura oil are accepted. *Please do not put in lard (animal based), mineral oil, frying scraps, or water.
- Oil used in restaurants and other establishments other than homes is considered industrial waste and will not be accepted.
