This Week's

Evacuation Drill

Do you know what to do in an emergency?

In case of a fire, go outside. Walk fast. Don't run.

In case of an earthquake, cover your head first.

Wait in a safe place until it stops.

Learn how to protect yourself.

T-F Check

(1) Next week there will be an evacuation drill in this school. ()

(2) In case of a fire, run fast and get out. ()

(3) In case of a fire, hold your mouth with a handkerchief, keep
your posture low, and run out so that you don't smoke. ()

(4) In case of an earthquake, go under a hard desk and protect your head. ()

(5) In case of a *tsunami*, without anything out, do not find your families and friends, escape to high
place alone. It means that protect your life by yourself.
